**1955 METROPOLITAN POLICE BOYS' CLUB CAMPAIGN**

1. The Metropolitan Police Boys' Club Campaign for this Agency will be conducted 1 June through 8 June 1955.

2. This year the goal of the Boys' Club is 160,000 membership, which must be met if the Club is to maintain its program. The Boys' Club, which is not a member of the Community Chest, depends upon the generosity of the local citizens to carry out its important responsibility of providing wholesome recreation for boys in the District of Columbia. Agency personnel are, therefore, encouraged to contribute to this worthy cause.

3. Contributions will not be solicited individually, but membership cards will be distributed throughout the Agency by Administrative Officers. The Services Branch of the Office of Personnel has been designated to receive and forward all donations to the Campaign headquarters.
